

Inspector _____ **Technical Inspection Form and Release**

Driver 1 Name _____ Driver 2 Name _____

Car Make _____ Car Model _____ Year _____ Number _____

Instructions (Read Carefully): Inspect each item on the car as noted below, and perform any necessary repairs *before the event*. Consult a tech inspector or qualified mechanic if there is any question about an item or check procedure. Have this sheet filled out (Owner Column) and signed prior to going to tech. Ensuring that your car is safe and track ready is your responsibility.

The technical inspection performed on my car and helmet is solely for the purpose of meeting the minimum requirements of car preparation for this event and no representation is made by the organizers or inspectors about the roadworthiness or fitness for either street driving or driving on the track in this event. No warranties are expressed or implied in passing or failing this technical inspection. I hereby release the inspectors and organizers from any and all liability arising from their inspection, whether or not it is due to negligence. I acknowledge that I am at all times solely responsible for the safety and roadworthiness of my vehicle, and am not relying on the inspection made in deciding whether or not to drive said vehicle. I further certify that I am over the age of 18, and that my liability insurance is in full force and effect.
