

Go to www.motosho.com (Do not make a login and password.)

Click "Register for an Event" on the righthand side. The next page will show you a list of upcoming shows to choose from. Scroll down until you see our show "Follow the Yellow Brick Road".

Click on the name of the show "Follow the Yellow Brick Road". In the center of the page, you will see the show name and dates:

Follow the Yellow Brick Road

OVERLAND PARK, KS | JUL 23, 2021 - JUL 25, 2021

Once you are here, you will see a red button on the left side of the page that says Register. Click on the red Register button that will take you to the first page of your registration.

On this page first you will complete your "Personal Information" which includes name, address, email, phone, etc.

(Read this section completely before making your choice on Club Membership)

Under the section titled "Club Membership" most of you would pick the button...

Do not have a MCA Membership (\$0)

Select if non-member and registering for a Division not requiring MCA Membership.

Once you click that option you will see it show up again on the right side of your page in a red box with a \$0.00 cost. (essentially, you have put this in your "cart"). The ONLY time you need to have an MCA membership is if you want to have your car judged by MCA judges at an event. Even if you are going to purchase a parking spot on the show field and be in the class "display only", but not have your car judged, you do not need an MCA membership.

Under the section titled "Registration Options" (blue boxes):

If you are NOT going to park on the show field at ALL, you do not need to pay any attention to the blue boxes.

If you are going to park on the show field and enter the classification "Display Only", you must select the blue box for Display Only \$30.00 by clicking on "Add Car". You will get a pop-up box that you can fill in all the details about your car. Under Judging Division, there is only one option to choose..."DSP Display Only". Choose that option and then click Save. This should put a red box with a \$30 charge on the right side of the screen. You MUST click Save to add it.

If you are going to have your car judged by MCA (you MUST have an MCA membership for this), you would choose the blue box for a “Judged Entry” \$75.00. You would follow the same steps to enter your car information as in the paragraph above (ref. display only), with the exception that you will need to choose the “Specialty” class under the Judging Division dropdown. Don’t forget to **click Save** to add it to the right side of the page.

Below the blue boxes is the section titled “Additional Options”. (This is where you would make your purchase to do the Autocross on a specific date.) To the right of the selection you want, you will see a “down arrow” to click on to choose a quantity. Click the quantity (i.e. “1”). Once you make your choice and pick the quantity you will see the charge for this on the right side of the page “in your cart” in a red box. It will be specific, showing the event, the date, and the charge of \$50 per car.

In this same section you can also make purchases for the Welcome Reception, T-shirts, Poker Run, etc. You would do the same as above, choosing a quantity in the proper dropdown box, and then the charge for that would be on the right side in a red box.

When you are done making all your choices, you will see a light green box on the right side of the page titled “Payment Total” showing a total for all your purchases. If you agree to the total and choices, then you would check the small white box within the green box area, and then **click on “Complete Registration”** (blue box within the green box). This will take you out to PayPal to pay for your purchases. If you don’t have a PayPal Account, you can pay by Credit Card through the PayPal option.

You will get an email receipt from PayPal, and a separate email receipt from the Motosho system. If you don’t see it right away, look in your Spam folder. It will reference Motosho in the subject line.
